Dear Dr. Falconer

Bishop Lucas of Athabasca is President of the Toronto Alumni Association this year.

His time is engaged for weeks ahead.

The only days he has free are Tuesday March 12th, Thursday March 14th, Thursday April 18th and 25th.

As we are very anxious that he preside at our annual banquet we want to know as soon as possible if you can send a representative of the University to address us on that occasion on one of the above dates respectfully

Dear Dr. Cuthbertson:

I will arrange that some one shall go to Chicago to meet the Alumni at the annual meeting, but I am at present unable to say who this person will be. I think that you had better choose the date that suits you best, and I will endeavour to secure the most suitable person possible for you. My present intention is to try to get one of our returned men. I have one or two in my mind but military engagements are such that I cannot speak definitely at present. Whenever you decide upon your date please let me know.

With kind regards, I am,

Yours sincerely,

President.

Dr. Hugh A. Cuthbertson,

6242 Woodlawn Avenue,

Chicago, Ill.

Dear Dr. Cuthbertson:

In the absence of Sir Robert Falconer I beg to acknowledge the receipt of your letter stating that the date of the Chicago Alumni Dinner has been fixed for March 12th. Before leaving Sir Robert arranged with Colonel F. Stanley Ryerson that he should represent the University at your Alumni gathering, and he has just written that March 12th will be suitable for him.

Colonel Ryerson went to Salonica with the University of Toronto Hospital, and was invalided home, and since his return he has been A.D.M.S. for Military District No.2. He is on our staff in Surgery and Assistant Secretary of the Faculty of Medicine.

Yours very truly,

President's Secretary.

Dr. H. A. Cuthbertson,

6242 Woodlawn Avenue,

Chicago, Ill.

Dear Dr. Cuthbertson:

Owing to some developments in Toronto the General in command has refused to allow Colonel Ryerson permission to go to Chicago next Tuesday. For this I am sorry, but I have secured Professor J. J. Mackenzie in his place. Professor Mackenzie, as you know, has been in Salonica and was again last summer doing military work in England, so that he will be able to interest you by firsthand experiences overseas.

With kind regards, I am,

Yours sincerely,

President.
